Private Echo Tapping Therapy™
Sessions for Weight Loss Psychology

Break through emotional eating, perfectionism, and self-sabotage patterns with private support from certified Echo Tapping Coaches — now at half the regular price.

These expert coaches aren't just trained in Brittany's proprietary Echo Tapping Therapy™ method — they also specialize in weight loss psychology, emotional eating, and are certified in fat loss and nutrition. That means you're not just getting deep emotional healing... you're also getting smart, customized action steps to help you spark weight loss safely and effectively — without extreme diets, fasting, or rigid plans.

Each session is tailored to your unique lifestyle, life stage, and hormonal profile to support sustainable, aligned results from the inside out.
